## Three Beaches. One Vacation.

Three distinct beach experiences, pristine natural wonders, a vibrant downtown district, fresh coastal cuisine and a variety of year-round festivals. This is the life, which is why it's not surprising that Virginia Beach has been consistently ranked among the country's best beach destinations. From the Atlantic Ocean to the Chesapeake Bay, Virginia Beach offers a coastal vacation that's nothing short of extraordinary.

THIS IS THE  
RESORT  
LIFE

## THE RESORT AREA

You'll have a lively time at Virginia Beach's oceanfront Resort Area, with the famous three-mile boardwalk right out your door and wide, sandy shoreline just steps away. The beach life buzzes with activity here, with numerous hotel options and restaurants to choose from, free entertainment throughout the summer and King Neptune presiding over it all. The Resort Area is an ideal choice for all types of beach lovers – from families looking to stay in the middle of a wide range of activities, to couples who love finding dining and nightlife a short walk from their hotel, to friends getting together for non-stop fun. Visitors of all ages are right at home here, with easy access to the beach making this high-energy atmosphere a vacation favorite.

THIS IS  
THE  
ISLAND  
LIFE

## SANDBRIDGE BEACH

If your vacation goals include getting away from it all for rest and relaxation, Sandbridge Beach is the perfect choice. Just 15 miles south of the Resort Area, the faraway feeling and secluded shores of this Virginia Beach hideaway give you the chance to slow down and unwind in a vacation rental home or oceanfront condo at your own pace. Privacy and peaceful hours are yours in Sandbridge, along with plenty of seaside activities to entertain the whole family, such as surfing or fishing. Home to Back Bay National Wildlife Refuge and False Cape State Park, this nature-lover's paradise offers great kayaking, hiking, and long walks on the beach contemplating how you might stay a little longer.

A collage of beach scenes. In the foreground, a man in a light-colored t-shirt carries a young child on his shoulders. The child is wearing a plaid shirt and sandals. In the background, a man in a hat and sunglasses sits on a wooden bench, talking to a woman in a floral dress who is holding a drink. They are outdoors near a wooden pier with several umbrellas. To the right, a large, bright, abstract shape resembling a sail or a piece of fabric is overlaid on the image. The overall color palette is warm, with yellows, oranges, and blues.

THE BAY  
LIFE

# CHESAPEAKE BAY BEACH

Quiet shores and local flavor make Chesapeake Bay Beach the ultimate choice for a laid-back vacation. Where the waves are gentle and the sun sets brilliantly over the Bay, the mood is chill and the vibe is Virginia Beach friendly. Whether on the beach or over a crab feast at a favorite marina restaurant, you'll want to linger and enjoy the company. Once you pull yourself away from your beach chair, there's plenty to explore, from the Cape Henry Lighthouses to the trails and streams of First Landing State Park. The first English-speaking settlers to reach the continent stopped right here for a short time on their way to Jamestown in 1607 – you won't want to leave.

# TOWN CENTER

The perfect uptown complement to our three shoreline destinations, Virginia Beach Town Center is just a 15-minute drive from the oceanfront. Always festive and lively, Town Center is a multi-block hub of diverse cosmopolitan pursuits, including dozens of restaurants, breweries and wine bars, a sparkling fountain in a park-like setting, upscale shopping and entertainment venues. Elevate your stay with a high-rise hotel view in the heart of the action and enjoy the big city vibe of fine dining and stage performances of every kind.

# Back To Nature

## EXPLORE OUR PARKS

Outdoor adventure is always close by in Virginia Beach's state parks, with thousands of acres of protected forest, marsh and shoreline to explore. From guided tours to primitive campsites, ocean's edge to coastal forest, experience nature's best at Back Bay National Wildlife Refuge, False Cape State Park and First Landing State Park.

or paddleboard, the feeling of being one with the water is addictive.

### ON THE SHORE

The unique coastal environment in Virginia Beach is a shared treasure and yours to explore thanks to an abundance of public parks. Sandbridge, Back Bay National Wildlife Refuge and False Cape State Park provide access to acres of marshland, forests, wildlife habitats and pristine beaches, with numerous trails you can hike or bike to remote locations. Along the Chesapeake Bay, First Landing State Park is a popular spot for nature walks, bike rides, camping and more – 19 miles of trails lead you through dense forests to cypress-filled lagoons and marshes.

### IN THE TREES

Nature lends itself for high-flying adventure on the grounds of the Virginia Aquarium. Test your skills on the rope courses, platforms and ziplines high in the trees of The Adventure Park, where a variety of skill level challenges make the experience a blast for all ages. With safety instruction and gear provided, including double-clipped-on harness technology keeping climbers continuously connected to a safety cable, you'll be working your way through thirteen self-guided treetop trails with 170 crossings on your way to bragging rights.

With 35 miles of ocean and bay beaches, more than 121 navigable miles of waterways and over 130,000 acres of natural area throughout Virginia Beach, nature's wonder is all around you. It's easy to explore the elements here, with outfitters and guided excursions to lead the way.

### ON THE WATER

Don't be deceived by Virginia Beach's calm waters – there are plenty of thrills to be had here.

On an ocean-going wildlife excursion, you can regularly catch sight of dolphins, birds and other aquatic life, including the occasional sea turtles or rays. In winter months, you have a chance to spy the thrill of a lifetime as humpback, fin and minke whales migrate through our waters. You can even paddle out off the beach for ocean kayaking with dolphins. Local outfitters will point you to the scores of inland waterways of area parks and wildlife refuges and provide the gear and instruction you need. Whether you surf, kayak

# Coastal Pets

The entire family is welcome here, no matter how furry. From pet-friendly accommodations to year-round hiking in First Landing State Park or Back Bay National Wildlife Refuge, to frolicking in our off-leash dog parks, Virginia Beach makes your best friend a guest of honor. Between Labor Day and Memorial Day public beaches and the boardwalk welcome pups on a leash any time. During summer months, safety restrictions guide you and your pet to the best times and places to enjoy the beach together. For details, search "pet lovers" at [VisitVirginiaBeach.com](http://VisitVirginiaBeach.com).

# Crab Picking

There's an art to coaxing fine, tender crabmeat onto your plate.

1. Remove the Apron. 2. Pull off the top shell.

# FUN FACTS ABOUT Oysters

IN VIRGINIA BEACH

**Pleasure House Oyster Farm Tour**  
Oysters from the Lynnhaven were renowned as the best in the world. Join us in their revival!

## Briny Oysters

Briny is a term to describe how salty the oyster is. Other fun terms are sweet, melon, creamy, and plump.

## Many ways to eat an oyster

The ways to eat oysters are almost endless. Pictured is an Oyster shooter, combining spirits with oysters.

## It's not Oyster Juice.

It's Oyster Liquor. Oyster liquor is the natural juice inside the oyster that keeps it alive once it's out of the water.

LOCAL VIRGINIA BEACH BREWERIES

# COASTAL CUISINE

When you're at the mouth of the Chesapeake Bay, the nation's largest and most biologically diverse estuary, the culinary experience brings seafood to another level. Sure, you can have it on a platter, but don't miss the totally unique fusion of flavors that happens as local chefs join farm-fresh fruits and vegetables with fresh-caught seafood. Where net-to-table meets farm-to-table, you'll be wishing there were more than three meals a day. Mix it up with these Virginia Beach dining experiences.

## 1 Create your own progressive dinner

Sample the resort area. Rent a beach cruiser, hop off at different spots for appetizers, a main course and dessert. Here's hoping you burn as many calories as you take in. Contact local food tour companies for options.

## 2 Celebrate local favorites

Let events and festivals throughout the year be your guide to the area's most celebrated specialties. The Virginia Beach Restaurant Association's Restaurant Week, Beach Event's Mediterranean Weekend, and the East Coast She Crab Soup Classic are just a sampling of the delicious events. Many other wine and beer festivals also offer great deals and fantastic flavor.

## 3 Breakfast hideaways

Rise early and find your way to one of several unique local breakfast haunts. Settle in for a crab

omelet, or a stack of pancakes with local strawberries on the side. Fish tales from the resident "old salts" are free of charge.

## 4 Fresh catch, provided by you

Local restaurants like Waterman's and Dockside will prepare your catch in a variety of ways. *Call ahead.*

## 5 Paddle to Blue Pete's

Take a guided Paddle Feast tour to kayak the waters of Back Bay to a favorite local restaurant.

## 6 Coffee at sunrise

For the cottage set, the day begins with your favorite brew and a spectacular sunrise, and culminates with a true beach feast – steamed crabs and shrimp from a local market, enjoyed atop newspapers on a picnic table.

## 7 Farm-grown sweetness

Fresh produce stands will keep you eating healthy, even on vacation. Try Pungo strawberries and locally-grown tomatoes, or visit one of our local Farmers Markets.

## 8 True romance

Think you'd be a true romantic if only the Atlantic Ocean could provide a beautiful sunset to go with your dinner? No worries, head to the Chesapeake Bay Area and watch the big red ball sink into the water.

## 9 Go upscale

For a taste of the cosmopolitan life after a day in the sun, head to Town Center for dining, shopping and entertainment.

**Virginia restaurants are smoke-free.**

# WEDDINGS

---

*Wedded bliss begins right here.*

---

There are so many things that make your wedding day uniquely your own. The dress, the tux, the food, the special person you'll spend the rest of your life with. But perhaps the most memorable thing of all is location. Where you are on the day that you say "I Do" will be forever embedded in your memory as the place where your entire life changed. A Virginia Beach wedding promises a truly special beginning to your life-long journey together.

You and your better-half-to-be may enjoy the idea of a calm sunset ceremony with the waves crashing behind you, or perhaps another scene as lively as your love for each other. You can dictate specifically how you want your day to be. Our new Beach Wedding Permit gives couples the ability to celebrate their ceremony right on the beach, certain that their place by the shore is available and accessible. For up to three hours you can reserve a space of public beach for you and your guests to set up and enjoy your wedding event. In addition to the public beaches of the Resort Area there are many secluded beaches such as the Chesapeake Bay and Sandbridge.

Virginia Beach also offers indoor options for those who prefer a celebration on firmer, more traditional ground. Unique spots include the Virginia Aquarium and Marine Science Center, where you can say your reception takes place among the Aquarium's marine life. The Virginia Museum of Contemporary Art and the Virginia Beach Convention Center have a variety of spaces perfect for a modern and stylish wedding.

From the resort area to the unique settings throughout our metropolitan city, Virginia Beach has exactly what you are looking for when it comes to your fairytale wedding. Call 1-800-VA-BEACH or go to [www.visitvirginiabeach.com/weddings](http://www.visitvirginiabeach.com/weddings) for more information.

# REUNIONS

*Fun is a family affair.*

The age-defying joy of feeling like a kid in the ocean. The soul-satisfying ease of being with your grandparents by the shore. A Virginia Beach family reunion is pure multi-generational magic, complete with endless ways to get to know each other better.

Whether your family tree is modest in size or loaded with branches, you can easily plan a reunion that suits even the most diverse groups. The Virginia Beach Convention & Visitors Bureau can provide a list of group-friendly hotels and restaurants, as well as resources for coupons and group rates at area attractions. Call 1-800-VA-BEACH or go to [www.visitvirginiabeach.com/grouptour](http://www.visitvirginiabeach.com/grouptour) for more information.

## ACCOMMODATIONS AND CAMPGROUNDS

The City of Virginia Beach and the Virginia Beach Hotel Association want your stay to be happy and carefree. Some properties may not be open year round, so it is best to make a reservation prior to arriving. When you make a reservation at one of our hotels or motels, a deposit secured by check, credit card or money order may be required. Reservations are confirmed upon receipt of your deposit by the hotel. Familiarize yourself with and inquire about cancellation policies, early checkouts, refunds, number of people in the room and any fees associated with lodging stay, as policies vary from one hotel to another.

## CHANGES IN RESERVATIONS

Accommodations may require up to seven (7) days written notice of cancellation prior to arrival date.

PLEASE BE AWARE that some lodging establishments do charge an administrative fee for cancellation of accommodations.

## EARLY CHECKOUTS AND REFUNDS

Accommodations may require up to, but no more than, 72 hours notice when a guest requests a change in a previously set departure date. Weekly, monthly and group rates are subject to the confirmation or contract.

## MINIMUM STAYS

Some hotels require two-, three- or four-day minimum stays for confirmed reservations, including weekends and holidays. When a refund is due, standard bookkeeping practices are observed. Refund checks are usually mailed from the hotel's business office. Refunds are not usually made from the registration desk.

## CHANGES IN RATES

This publication was assembled in the fall of 2015. Due to a number of factors, it is impossible to ensure that the published rates for a hotel will not change. The publisher has no control over this situation. Holiday and weekend rates may be slightly higher. Please inquire about the rate when making reservations.

For further information and assistance with accommodations, contact the Virginia Beach Visitor Information Center at 1-800-VA BEACH (1-800-822-3224) or (757) 385-SURF(7873). The City of Virginia Beach has relied on information supplied by our tourist-related businesses and cannot guarantee accuracy.

The Virginia Museum of Contemporary Art (MOCA) will feature some of the foremost contemporary artists through a ten year retrospective of the art magazine, Hi-Fructose. This exhibition is a unique opportunity to bring a broad spectrum of artwork by over 50 artists from the pages of magazines and computer screens to the walls of a contemporary art museum dedicated to educating on the significant art of today. Turn the Page: The First Ten Years of Hi-Fructose is a collaborative initiative by two like-minded organizations – MOCA in Virginia Beach, Virginia, and Hi-Fructose The New Contemporary Art Magazine in San Francisco, California. Both are committed to creating an awareness of contemporary art that is informative, imaginative and relevant. This multi-faceted exhibition will feature artists working in a variety of media including sculpture, installation, painting, ceramics, and photography as well as interactive community outreach and satellite exhibitions. A wide selection of educational programming, film screenings, panel discussions, and events will provide the public an opportunity to interact with the art and artists in exciting new ways.
