

# WEDDINGS

*Wedded bliss begins right here.*

There are so many things that make your wedding day uniquely your own. The dress, the tux, the food, the special person you'll spend the rest of your life with. But perhaps the most memorable thing of all is location. Where you are on the day that you say "I Do" will be forever embedded in your memory as the place where your entire life changed. A Virginia Beach wedding promises a truly special beginning to your life-long journey together.

You and your better-half-to-be may enjoy the idea of a calm sunset ceremony with the waves crashing behind you, or perhaps another scene as lively as your love for each other. You can dictate specifically how you want your day to be. Our new Beach Wedding Permit gives couples the ability to celebrate their ceremony right on the beach, certain that their place by the shore is available and accessible. For up to three hours you can reserve a space of public beach for you and your guests to set up and enjoy your wedding event. In addition to the public beaches of the Resort Area there are many secluded beaches such as the Chesapeake Bay and Sandbridge.

Virginia Beach also offers indoor options for those who prefer a celebration on firmer, more traditional ground. Unique spots include the Virginia Aquarium and Marine Science Center, where you can say your reception takes place among the Aquarium's marine life. The Virginia Museum of Contemporary Art and the Virginia Beach Convention Center have a variety of spaces perfect for a modern and stylish wedding.

From the resort area to the unique settings throughout our metropolitan city, Virginia Beach has exactly what you are looking for when it comes to your fairytale wedding. # REUNIONS

*Fun is a family affair.*

The age-defying joy of feeling like a kid in the ocean. The soul-satisfying ease of being with your grandparents by the shore. A Virginia Beach family reunion is pure multi-generational magic, complete with endless ways to get to know each other better.

Whether your family tree is modest in size or loaded with branches, you can easily plan a reunion that suits even the most diverse groups. The Virginia Beach Convention & Visitors Bureau can provide a list of group-friendly hotels and restaurants, as well as resources for coupons and group rates at area attractions.
