DOLPHIN DISCOVERIES

MARCH–OCTOBER
1 ½ HOUR TRIP

Virginia Beach's coastal waters are abundant with bottlenose dolphins. Mothers and calves are commonly sighted, as are pelicans, osprey, and other coastal birds.

WHALES & WILDLIFE

DECEMBER–MARCH
2 ½ HOUR TRIP

Whales, seals, and migrating birds such as gannets are among the frequent visitors to the coastal waters off of Virginia Beach during the cooler months.

Tickets & schedules available at VAQBoats.com.

A portion of all ticket sales support our education, research and conservation initiatives.
